Visite de Loreto College

I was surprised by the green landscape when we arrived to Carran. The students welcomed us and gave us a tour of their school (It was like a labyrinth).

Immersion au lycée

Friday February 27th
 Tell us precisely about your day (Morning, afternoon, evening).
 In the morning I had chemistry class and
 German (I didn't understand a word). We had
 the P.H. break and I ate my sandwich. After
 we had careers and biology class. With other
 French and Irish people we take the bus to go to
 with my friends

Les familles

Weekend en famille

Friday evening: (Clodagh's home and Dearbhla home)

We ate... We took a break, then we went to
 the cinema at 5.30pm. The movie was called
 "GOAT", a story of a basketball-playing goat. It
 was funny. We ate just after at a Chinese
 restaurant, it was very good! We left about 10pm.

a film at his house.
 On Sunday I went to see Clodagh's house
 in Dublin. (They eat). She wasn't happy. We went
 back home and ordered a Chinese "bunching" to
 be away. And watched a film before bed.
